MORNING DISCOVERIES IN MOMBASA - Half Day (approx. 05h00)

Morning Exploration of Mombasa Town Start your day with an immersive tour of Mombasa's historic sites, tracing its origins back to the 12th century, when spice traders from Arabia arrived, carried by the Trade Winds.

Walk through the fascinating Old Town, known for its medieval charm, featuring ancient mosques, vibrant markets, and the iconic Fort Jesus, built by the Portuguese in the 16th century.

Visit the bustling dhow harbor, a vital hub for trade, and experience the energy of the central market, where you can browse an array of fresh produce, aromatic spices, and handcrafted goods. The final stop is at the Akamba Wood Carvers, where talented artisans bring traditional carvings to life—an excellent opportunity to observe craftsmanship and purchase souvenirs.

The tour concludes with a return to your hotel just in time for a late lunch, ensuring a well-balanced mix of history, culture, and artistry within a morning's adventure.

A half-day Mombasa city tour is a fantastic way to explore the rich history, vibrant culture, and iconic landmarks of Kenya's coastal gem.

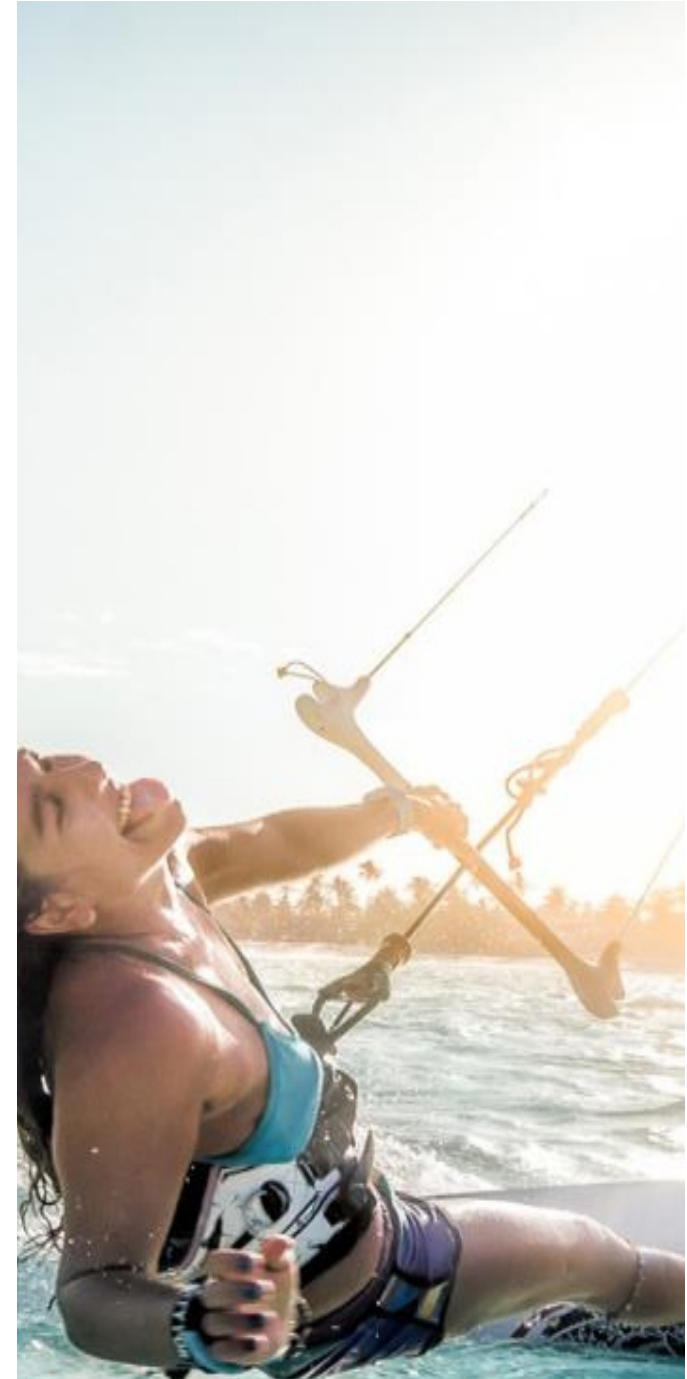

Validity 01/07/25-15/12/26 (Fort Jesus Entrance not inclusive in the price)

Departure Diani 07h00/North Coast 07h30

Return Approx Diani 13h30/North Coast 13h00

WIND SURFING

Diani and Galu beach, on the south coast of Kenya, offers windsurfing which has idyllic conditions for beginners to expert wave riders. The best months to go are January, February, July and August. Enjoy flat water blasting or freestyle and down the line riding on the reef, 300-400m offshore. The wind average 20-35 knots with monsoon winds creating very big swells and up to 3.5m faces on the outer reef. The summer season is from mid December through to the end March where the wind is side on averaging 15-25 knots and waves averaging 1.5m on the outer reef.

MOMBASA DISCOVERIES + LUNCH TAMARIND - Full Day Tour

Kick-start your day with an engaging tour through Mombasa's historical heart, tracing the city's origins back to the 12th century, when Arabian spice traders arrived with the Trade Winds. Wander through Old Town, a lively district steeped in heritage, where ancient mosques, winding alleyways, and the imposing Fort Jesus, built by the Portuguese in the 16th century, paint a vivid picture of the past.

Next, soak in the sights at the dhow harbor, once a thriving trade hub, followed by a stop at the central market, where fresh produce, aromatic spices, and handcrafted goods offer a true taste of the coast. The journey continues to the Akamba Wood Carvers, where skilled artisans sculpt intricate pieces—a perfect chance to witness craftsmanship firsthand and pick up souvenirs.

Wrap up the tour with a delightful seafood lunch at Tamarind, a renowned waterfront restaurant serving exquisite Swahili and coastal-inspired cuisine, all while enjoying breathtaking views of the Indian Ocean. This day adventure is a perfect blend of history, culture, artistry, and culinary indulgence, leaving you refreshed and inspired by Mombasa's coastal charm.

Validity 01/07/25-15/12/26 (Fort Jesus Entrance not inclusive in the price)

Note : Lunch can be served either at the Restaurant or on the Tamarind Dhow.
A minimum of 15 pax is required to operate the Dhow.

Departure Diani 07h00/North Coast 07h30

Return Approx Diani 16h30/North Coast 15h30

Join us for an unforgettable adventure exploring Kisite-Mpunguti Marine Park, renowned for its rich marine biodiversity, vibrant coral reefs, and pristine waters. This breathtaking underwater world is home to dolphins, turtles, stingrays, moray eels, and an astonishing variety of sea life—a true garden beneath the sea.

The journey begins at Shimoni, where you board our traditional Arabian-style dhow, greeted by a friendly crew offering Kenyan coffee, tea, and biscuits. As we sail past Mpunguti ya Juu and Mpunguti ya Chini, keep an eye out for dolphins! Upon arrival at Kisite Marine Park, experience guided snorkeling in the protected waters, where expert guides help you discover the brilliant fish and coral formations. Support is available for beginners, with buoyancy jackets and life rings ensuring a comfortable experience.

Weather permitting, enjoy sailing between snorkeling sites before returning to our private retreat on Wasini Island.

Here, indulge in a delicious Swahili seafood banquet, featuring fresh crab and fish, with vegetarian and chicken alternatives available on request. The meal is served in a tranquil forest garden, accompanied by white wine, beer, soft drinks, and water—and don't miss our signature Citronella Tea, made from fresh island-grown lemon grass. After lunch, unwind in the Day Dreamer's Lounge, where you can savor fresh fruit, pastries, and Kenyan coffee while taking in the stunning ocean views or browsing marine literature. If tides allow, enjoy a short forest walk before heading back to Shimoni. The experience concludes with an optional visit to the Shimoni Slave Caves, a community heritage project included in the tour price.

All snorkeling and diving equipment is provided, including prescription masks, snorkels, and fins.

To ensure a comfortable day, guests should bring towels, sunscreen, water-friendly shoes, hats, swimwear, and a camera to capture the unforgettable scenery. This immersive marine safari offers a unique blend of adventure, history and relaxation, making it a must-do experience for anyone seeking to explore Kenya's breathtaking coastal beauty.

KINAZINI FUNZI DHOW - Full Day
(Not Operating during May/June due to weather condition)

Embark on a scenic coastal adventure that showcases the untouched beauty of Kenya's shoreline, offering breathtaking views of turquoise waters, lush mangrove islands, and an immersive cultural experience with the local Shirazi people.

Begin your journey at Bodo Beach, where your guide will provide a briefing as you enjoy a light Swahili breakfast. Then, board a traditional Arabian dhow for a cruise through Funzi Creek, passing uninhabited islands and thriving mangrove forests. On Funzi Island, explore a historic fishing village, once linked to the slave trade, and visit the local school (during school hours). Next, sail to a unique sandbar, which emerges from the sea at low tide—a perfect spot to swim or stroll across the pristine white sands, surrounded by the vast ocean.

Continue your voyage to the secluded island of Kinazini, where a sumptuous seafood lunch awaits, with options for both vegetarians and non-vegetarians. After lunch, hop into small motorized boats for a guided exploration of the Ramisi River, home to diverse mangrove species.

With a bit of luck, you may spot wild crocodiles and a variety of bird species.

As the day winds down, enjoy a relaxing cruise back to Bodo, followed by a transfer to your hotel.

Depending on the tides, the itinerary may be adjusted to visit the river first.

KAYA KINONDO - Half Day

Begin your day with a scenic drive south to the Kaya Kinondo Sacred Forest, a 30-hectare expanse of untouched wilderness near Diani Beach. This forest, one of the sacred Mijikenda sites, is a proposed UNESCO heritage site and remains an important spiritual and cultural landmark for the local Digo community.

Through the Kaya Kinondo Ecotourism Project, visitors can explore this pristine ecosystem while respecting its traditional significance.

Take a guided walk through the forest, home to 187 plant species, including rare and endemic varieties.

The forest also shelters diverse wildlife, including monkeys, dik-diks, and even elephants. Along the way, visit Kinondo Village, where you can engage with the local community, meet the medicine man, and gain insight into traditional healing practices.

The Kaya Kinondo Ecotourism Project, established in 2001 with support from WWF and NMK, has played a vital role in conservation and sustainable development. Thanks to community efforts, the forest has been better protected, bringing socioeconomic benefits to those dedicated to its preservation.

After this enriching experience, return to your hotel just in time for lunch, carrying with you a deeper appreciation for Kenya's cultural and ecological heritage.
